White Diamond Award

An exclusive award will be given to the studio with the highest combined points of the competition. (Take total points including solos, duo/trios and teams and divide by number of routines. Minimum 10 group routines.)

A panel of three judges, two artistic and one technical, will adjudicate each entry. Routines will be adjudicated against a point system. The point system can fluctuate to balance each competition in regards to different judges and competitors. By doing so this will ensure that each dancer will have a positive experience and receive a more accurate evaluation of their performance at that particular competition.

Each routine will receive a Purple Diamond, Blue Diamond, Pink Diamond or White Diamond rating based on the adjudicated point system. With this scoring system, multiple Purple Diamond, Blue Diamond, Pink Diamond and White Diamond adjudication awards may be presented within each age division for each skill level.

Master Class Instructor

Kelli Calvert

Kelli Calvert has been dancing since she was three years old and started dancing professionally at 15. Her whole life has revolved around studios, being on sets, and learning skills that have helped her become a successful working dancer for the last 13 years.

She has been fortunate to have variety through her career stretching beyond the stage and into tv and film as well. Movies, commercials, and even music videos like the High School Musical movies, MGM and Columbus Zoo commercials, and Vanessa Hudgens' Sneaker Night. She has danced with Odyssey Dance Theater, for Cirque du Soleil, and was the dance captain for Donny and Marie in Las Vegas.

Most recently, she has just accepted a contract with the new show, Marilyn the Musical, which will be opening June 1, at the Paris hotel. She loves helping students find their purpose and passion on and off the stage and is so excited to be here with you!
