A panel of three judges, two artistic and one technical, will adjudicate each entry. Routines will be adjudicated against a point system. The point system can fluctuate to balance each competition in regards to different judges and competitors. By doing so this will ensure that each dancer will have a positive experience and receive a more accurate evaluation of their performance at that particular competition.

Each routine will receive a Purple Diamond, Blue Diamond, Pink Diamond or White Diamond rating based on the adjudicated point system. With this scoring system, multiple Purple Diamond, Blue Diamond, Pink Diamond and White Diamond adjudication awards may be presented within each age division for each skill level.
